

## 2015 欧莱雅亚太运营部苏州工厂管理培训生项目

### What is Management Trainee Program?

The Management Trainee Program is a 12-month experience designed for recent graduates who have finished their studies and are starting their career at L'Oreal BeautyCos Plant. It provides 2 cross function job rotations with detailed learning objectives in Production, Supply Chain, Quality or EHS (based on business needs and personal interests) and 4 training modules. After the program, successful management trainees will graduate and be assigned a position in the company.

### To apply, it is essential that you:

1. Will graduate in July next year;
2. Major in Engineering, Chemical or related majors;
3. Be fluent in spoken and written English and Mandarin;
4. Willing to start your career in SUZHOU
